

Dear Colleagues and Partners,

We warmly welcome you to the **9th Baltic Sport Science Conference “CURRENT ISSUES AND NEW IDEAS IN SPORT SCIENCE”** hosted by the Lithuanian Sports University on April 27-29 2016 in Kaunas, Lithuania.

The aim of the Baltic Sport Science Conference is to spread the innovations of the European and global sports science and to share the newest research results.

Keynote speakers:

Dr. Paul Appleton, School of Sport, Exercise and Rehabilitation Sciences at the University of Birmingham, UK

Prof. Dr. Samuele Marcora, School of Sport and Exercise Sciences, University of Kent, UK

Prof. Dr. Wolfgang Schöllhorn, Institute of Sport Science, University of Mainz, Germany

Prof. Dr. Priit Kaasik, Institute of Exercise Biology and Physiotherapy, University of Tartu, Estonia

Dr. Ieva Kundzina, Department of Anatomy, Physiology, Biochemistry and Hygiene, Latvian Academy of Sport Education, Latvia

Assoc. Prof. Dr. Marius Brazaitis, Institute of Sport Science and Innovations, Lithuanian Sports University, Lithuania

Conference Topics:

- Skeletal Muscle and Brain: From Neuron Toward Myosin
- Physical Education and Health
- Sport and Leisure Management
- Exercise Biology and Kinesiology
- Coaching Science

For more information, please visit the conference website <http://www.lsu.lt/en/welcome>

We are looking forward to welcoming you in Kaunas!

Kind regards,

Tomas Kukenys
