

# WELCOME TO FINLAND

Experience top-quality education  
and unique Nordic nature

The University of Jyväskylä welcomes you to the International Summer School in Human Sciences on 22 May–16 June 2017.

STUDENTS from partner universities all over the world as well as local students are invited to apply for the Summer School. The programme is intended for undergraduate or graduate students majoring in communication, economics, education, language and culture studies, management and leadership, philosophy, psychology, sport and health sciences, social sciences, music, anthropology or related fields.

THE DISTINCTIVE quality and solid reputation of the Finnish education system brings thousands of international students to the country every year. Jyväskylä is an exceptionally attractive study destination with its combination of top quality education and research, technologically advanced campus, safe and stable society, unique Nordic nature and landscape, and a wide range of sports and cultural events and activities.
