The Department of Management in Sport together with The World Polonia Sport Federation invites You to participate in the second international interdisciplinary Congress, the leitmotif of which will be new trends in economics and management, organization of mass events and law on the sports market.

The Congress will be held on May 23-25, 2019 in Gdańsk, as part of the celebration of the 50th anniversary of the Academy of Physical Education and Sport in Gdańsk and will be an event promoting the University's Jubilee.

Congress is dedicated to the scientific body and practitioners. During this event, all participants will be able to exchange views, research results and experiences that will serve further inspirational conclusions, deepening the knowledge of domestic and international entities. We invited guests from Universities from Portugal, Spain, Denmark, the Czech Republic, Austria, Greece and Turkey as well as Polish athletes and trainers living abroad.

On the first day of the congress, participants have the opportunity to participate in a football match, which will take place as part of the mass sports event **World Championship FIFA U-20 Poland 2019**, at 18:00 at the Stadium in Gdynia.

On the second day, a gala dinner will take place at the **Energia Gdańsk Stadium with a gala of handing statuettes "Tempus optimum"**.
