

# PRAGUE CHARLES UNIVERSITY IN FACULTY OF PHYSICAL EDUCATION AND SPORT

José Martího 31, 162 52, Praha 6 – Veleslavín

## Operating rules and regulations of the small gym FTVS UK

The small gyms are facilities of FTVS UK. Its operator is Sport facility management UK FTVS (Správa sportovišť UK FTVS). Small gyms serve to ensure education of the Faculty, of the University sport club and if its capacity is not exceeded it may be used for complementary commercial events. Sport facility management UK FTVS is the main coordinator of gyms' use during calendar year.

For continuous and safety running of gyms it is necessary that users obey the regulations given by OPERATING RULES stated below. During classes the one who is responsible for entering gyms, for supervision and respecting the rules is a competent teacher, during commercial events the responsibility lies with tenant.

In addition, these operators are also responsible for turning on and off the lights, for working of sanitary facilities, tidiness and order in the gym and using appropriate footwear while entering the gyms.

- 1) All users are required to maintain order and tidiness and to use all the equipment considerately. After having finished using the sport equipment and gear, they are also required to put it back in its right place.
- 2) All users are required to change their shoes before entering the dressing rooms. The entry in combat sports gym (with Tatami mattres) is possible only while having shoes off, with sock or barefoot.
- 3) Facilities operator is not responsible for damages to users' belongings taken with them to the sport areas
- 4) Opening hours are all year round, according to special needs of sport education or training they are from 6.30am to 9.30pm.
- 5) It is forbidden to bring any objects or food except of sport equipment into the gym. Furthermore it is strictly forbidden to light fire or to manipulate it in any way or to bring any objects that may endanger safety of other users. Smoking is prohibited in all gyms and neighboring areas.
- 6) Every user is obliged to immediately report any damage or other problems in gym to the competent staff (teacher, coach, etc.). All damages of gym area caused on purpose or because of negligence are under full responsibility of the person who caused it. Such a person is supposed to cover the damage in its full compensatory amount.
- 7) In case of injury or accident it is necessary to immediately inform the competent staff (teacher, coach, etc.) that will arrange medical assistance. In other cases it is necessary to announce it at the reception, whose staff will call the emergency service.
- 8) During lessons or activities that are provided by the Faculty it is strictly prohibited to enter the field without the teacher's or coach's presence.
- 9) It is forbidden to take away any equipment without teacher's or operator's permission.
- 10) Except operations related to the Faculty activities (education, tutoring, activity of university sport club, etc.), all individuals use the facilities at their own risk.
