Více infomací	<p>The ICTIC stands for – International Virtual Conference on Informatics, Information Technologies and Management, Marketing and Economy Science. The complete list of disciplines is available at the conference web page.</p> <p>We invite researcher, practitioner or student to attend this scientific forum and share research results. You can register at the portal and submit your article. We work hard, to ensure fair and quality reviewing process, on time publication and post conference visibility.</p> <p>We explain you the principle of our virtual conferences. Your physical attendance does not limit you; the whole conference runs online at www.ictic.sk . Despite the virtual presence, we maintain all positives of standards of “stone” conferences: reviewing, conference discussion at online, asynchronous, conference chat, publication in proceedings with ISSN and ISBN and post conference indexing and archiving.</p> <p>If you are interested in ICTIC 2015, the article submission deadline is set on March 17, 2015. If you are interested in attending the conference without the article you are welcomed, just send us email at info@ictic.sk with your request. The conference starts on March 23, 2015 and it will run the whole week. You can visit the conference chat room and browse all accepted articles.</p> <p>You could be also interested in: the conference has a tradition; in 2014 all proceedings were sent for evaluation into SCOPUS; the online archive is indexed in Google Scholar. This year edition proposes a special track: ICT has positive impact on rapid growing of non ICT disciplines. Selected articles will be recommended into scientific journals. More information is available at www.ictic.sk .</p> <p>We introduce conference partner - Faculty of Management Science and Informatics, University of Zilina, Slovakia and the main sponsor - Thomson s.r.o., Zilina, Slovakia.</p> <p>If you need more information about committees, guideline, conference fee, visit our web page (www.ictic.sk) or send us email at info@ictic.sk .</p>
