

Dear Colleagues,

the application period for the intensive, international Summer School in Human Sciences is open and the application deadline is 1 February. The Summer School is open to all students of the University of Jyväskylä and also to the students of our partner universities. The programme is free of charge. The Jyväskylä Summer School in Human Sciences comprises 16 interdisciplinary courses for undergraduate and / or graduate students interested in e.g. art and culture studies, education, sport and health sciences, psychology, communication, social sciences and philosophy or related fields.

Participants are welcome to take the full summer school programme or parts of it.

Please, see <https://www.jyu.fi/en/study/programmes/summerschool> for further information and application instructions and feel free to tell about this opportunity to your students.
