

HAN University of Applied Sciences – The Netherlands

Summer School

Health, Social Studies and Sports

Course dates

20 May - 7 June 2019

Looking for something different next summer? Want to explore new topics with international classmates? To discover the Dutch approach to issues facing society today? Join the Summer School in Health, Social Studies and Sports.

About the Summer School

This Summer School offers 8 one-week courses in the fields of health, social studies and sports. Interested in just 1 course? No problem. Join us for 1 week of hands-on learning and fun. Want to sign up for 2 or even 3 courses? Even better! Each course leads to 2 ECTS credits and includes a field trip.

The courses in this Summer School are open to all students. So you don't have to be studying in that field to join up.

In fact, that is what makes this Summer School so special. The opportunity to step into unknown territory: a truly rewarding experience.

Social activities? We've got that covered too. Next to your studies, you can join in with lots of fun, social and cultural activities. Like visiting Amsterdam for the weekend. This way you learn more about the Netherlands and Dutch culture while you're here!

More about Nijmegen

HAN University of Applied Sciences is situated in the eastern part of the Netherlands. It's just a few kilometres from the German border, and within easy distance from Amsterdam, London, Paris, Brussels and Berlin. Nijmegen is the oldest town in the Netherlands. It is a beautiful, old university city surrounded by woodlands, castles and polders. Just walk a few minutes in any direction and you can enjoy nature and history at its best. Nijmegen has just about everything a student could wish for: museums, theatres, cafés, excellent sports facilities and a vibrant nightlife.
