**FAQ:**

I only study one subject per semester, do I still have to pay the full amount?

Student must pay tuition fees per each semester which s/he had commenced. The full amount must be paid even in case of studying one subject. The payment is not required only in case of having finished all the courses except Final State Examination and Thesis Defence.

Will I get a refund if suspended/ leave the study?

If the student leaves the studies during the academic year, there is no possibility for a refund of the fee, not even of a proportional part. The student suspended from the study in the course of the academic year will not receive a refund of the fee from the Faculty.

**IMPORTANT INFORMATION - PLEASE READ CAREFULLY:**

The fees are to be paid through a bank transfer. You are kindly requested to cover all bank operation fees related to the transfer, so the Faculty of Physical Education and Sport will receive the full amount.

When making the bank order, state the student's full name to Details of Payment/Reference and choose the correct option referring to the bank operation fees.

For example:
