# Study Stays

---

You can apply for studies at the Faculty of Physical Education and Sport of Charles University (CZ PRAHA07) as an exchange student for one semester or two semesters in case your home university is a partner university and have a bilateral agreement. You should first apply through your home university to be nominated as Erasmus student.

## Before arrival

[Link to before arrival checklist](#)

## **Application Procedure**

1. to be nominated by your home university Erasmus+ coordinator
2. to fill in Charles University on-line registration ( [here](#) )
3. to print 2 documents generated by the on-line registration (Application Form + Learning Agreement) and get them stamped and signed by your Erasmus+ coordinator
4. to send the documents either to the faculty coordinator or to the European Office of Charles University per post or via e-mail

## **Nomination deadlines**

1st semester: 15th April

2nd semester: 15th September

## **Application deadlines**

1st semester: 15th May

2nd semester: 15th October

Please read more information on the website of Charles University [on this link](#) .

## **Medical Certificate**

All exchange students nominated for a study stay or practical placement at the Faculty of Physical Education and Sport of Charles University, Prague, Czech Republic (Erasmus code: CZ PRAHA07) need to have a Medical Certificate from a Sport Doctor, in English or officially translated in Czech language, if they wish to be enrolled in any Practical Course of Sport or Physical Education. In the case of any physical limitation, the teachers must be informed in advance – so that they can decide if the nominated student can or cannot be allowed into their class.

The nominated students need to send the certificate to Charles University together with the paper version of their application. The deadlines are: June 15 (arrivals for winter semester and full year) and October 15 (arrivals for summer semester).

## **Courses**

Faculty offers theoretical and practical courses in English from the Bachelor programmes of Coach, Fitness Coach (Sports area, including selected courses of Sport Management) and Physiotherapy. Master programme of Applied Sport Science and Applied Physiotherapy are offered.

*Courses for Academic Year 2022/2023:*

### *Important information:*

- Courses will be taught only with the minimum of 10 students enrolled
- Some courses have a limited capacity (usually maximum of 15 or 20)
- Enrolment to the courses is via Student system Internet platform before the start of the semester

## After Arrival

[Link to after arrival checklist](#)

## **Orientation meeting and Enrolment**

1st semester: end of September

2nd semester: 2nd week of February

**Enrolment**

Enrolment is part of the Introductory Orientation Meeting which is usually organized the week before the semester starts (90 min). All incoming students receive detailed e-mail 2- 3 weeks before. You will get all important information regarding to your stay, so we highly recommend to participate at this event.

**Student's Card**

Faculty coordinator set an appointment for you at one of Charles University pick up points. Our students can help you. To see more information about [Student's card](#) .

**Course enrolment**

Course enrolment takes place in the week before the semester start on Student's system platform. Every incoming student will receive his/her log-in information with the Student's card.

One computer room is usually booked to help international students with the whole process.
