
Internet access within the Faculty – EDUROAM.

How to connect

The password for the EDUROAM network can be set at: <https://ldap1.cuni.cz/> and it must be **different to your SIS password!** On the main page, unclick the Other Accounts option, and choose *Set password for Eduroam realm cuni.cz* and follow the instructions.

There is also a computer room (UB1-1, Block B, 1st floor) which can be used by students.
