# Information ERASMUS students

---

Welcome to Prague! We are delighted that you are planning to come here for your Erasmus program. We want to assure you that we are always here to help, and you don't have to hesitate to ask us anything.

At your arrival, you may have questions or need assistance with various aspects of settling in. That's where Student Point comes in! Student Point is a dedicated space (door number H062) where you can come during its opening hours **(Monday, Wednesday, 13:00-15:00)** and ask us anything you need help with.

Whether you have inquiries about academic matters, or simply need recommendations for local activities and attractions, our **International Student Team or Samra Kovač** (she is based right next to the Student point, door number H063) at Student Point will be there to provide you with the information and guidance you seek.
