PRAGUE

Prague, also called “the City of a Hundred Spires”, is the capital and largest city of the Czech Republic . It is one of the most beautiful and the most magical cities in Europe. It lies on the river Vltava and is known to people from all over the world. The experiences that won't be forgotten are awaiting you.

*Prague can offer to **inspire people***

Prague inspired many significant artists and scientists in the past. The city's mysterious atmosphere reflects for example in the works of Franz Kafka or Wolfgang Amadeus Mozart. Let's experience the atmosphere and join us at the ENPHE conference .

*Prague can offer to **connect people***

Prague has been a crossroad of the most important trade routes, as well as a cultural and political centre of Europe. One of its major landmarks, Charles Bridge , symbolizes the historical connection between the East & West. Therefore, the gala event location is just next to the Charles Bridge.

*Prague is **accessible** and easily to be **explored***

Prague is located in the heart of Europe. It is accessible to travellers from almost every country. The Václav Havel Airport Prague is one of the busiest airports in Central Europe. Prague is a green and very walkable city, offering a wide range of attractions within a small area. Prague is rich in architectural monuments, cultural heritage and historical sights. Moreover, it is also modern and dynamic.

The ENPHE conference takes place in the historic center of the city, in the building of Charles University Carolinum .

CHARLES UNIVERSITY

Charles University was founded in 1348 during the rule of King of Bohemia and Holy Roman Emperor Charles IV. It became the first Studium generale north of the Alps and east of Paris. More about [history](#). Charles University consists of 17 faculties. More about [structure](#). In the current edition of the [Academic Ranking of World Universities](#), Charles University was classified in places 301-400, the same as last year. With this ranking the University follows up on its recent success in the prestigious QS World University Rankings 2024, in which its position improved markedly compared to the previous year. It was ranked among the [250 best universities in the world](#), and therefore belongs to the top 1.5% of educational institutions in the world. More [facts and figures](#). Charles University is an internationally acknowledged research university. Every year, Charles University spends about CZK 3.2 billion to finance its research programmes. More about [research](#). GALA EVENING

Take part in the **ENPHE gala evening** in the beautiful surroundings of the [Lávka club](#) , which is located right next to the Charles Bridge. This unique place offers a beautiful view of the Charles Bridge with the Vltava River and the entire Hradčany - Prague Castle from the outdoor terrace. This place is accessible on foot from the conference venue along the so-called Royal Road, approx. 900m, across the Old Town Square.

A rich banquet awaits you, the possibility of sitting outside under the Charles Bridge, sufficient capacity for comfortable seating inside, dulcimer music in a modern way, and more.... The program of the evening will be specified.

Practical Information

Getting Around

Navigating Prague is made easy by its highly convenient public transport network, which is renowned as one of the most reliable in Europe. This system facilitates convenient access to even the farthest corners of the city, including during nighttime hours. The options available for travel include the subway, trams, and buses. In addition to the excellent public transport, Prague also offers taxi apps like Uber, Bolt, and Liftago. However, especially during rush hours, using public transport in the city centre is often a quicker and more efficient option.

Public transport in Prague is very easy, cheap and safe. All information in English is available on the webpage [PID](#). Tickets can be bought at the METRO stations, in the buses and trams. You can also use the on-line app. Through this app, you can purchase the ticket. Moreover, it will assist you in finding the most suitable routes for moving around the city. You can download a simple [METRO MAP](#).
