
SCIENTIA MOVENS 2025

The Faculty of Physical Education and Sport of Charles University is accepting proposals for the student scientific conference **SCIENTIA MOVENS 2025** with the subtitle *Science in Motion, Motion in Science*, which will be held **on 15 May 2025** on our campus.

The conference targets at students of master's and doctoral study programmes of our fakulty as well as other higher education institutions from the Czech Republic and Slovakia. The conference is thematically focused on the following areas:

- Social, ethical, pedagogical and economic aspects of physical activities
- Sport and sport performance
- Health and healthy lifestyle
- Biological and physiological aspects of sport

Conference participants can present their research plans and projects at any stage of their development in two ways:

- Personal presentation
- Poster session

Proposals for the conference should be submitted by **31 March 2025**. Acceptance notifications will be sent by 12 April 2024. The capacity of the oral and poster sessions is limited.

ABSTRACT (CZ | SK | ENG)

(no more than 200 words) :

- Name and surname, affiliation and contact person
- Key words
- Aim of the research or work
- Theoretical or conceptual part
- Research methods
- Results and discussion

A graphic summary (one page) is a compulsory part of the abstract.

Poster submissions should be in print quality (resolution at least 300 dpi), PDF and A3 format. The conference organiser will print and display the poster.
